

MISSISSIPPI COAST ASSOCIATION OF FEDERAL ADMINISTRATORS

MINUTES OF MCAFA FIRST QUARTER MEETING

1. The first quarterly meeting of the Mississippi Association of Federal Administrators was held on 21 March 2000 at the Keesler Club on Keesler AFB MS.
2. The meeting was called to order by David Bethea Executive to the President of the MCAFA. The invocation was given by David Bethea and lunch was served at 1130.
3. Our guest speaker was Mrs. Onedia Harrison-Holman of the GSA Blue Pages Project. She presented a briefing from her notes after the computer she had for her presentation failed and she was unable to use the Powerpoint application. The Blue Pages Project is a program to make the government listings in the local phone book more user friendly. Senator Lott's office has express some interest in this program although his local office staff were not able to attend. We did provide his office a full copy of the briefing that we had received.
4. Business Meeting:
 - a. Dave Bethea presented the treasurer's report that reflected a balance of \$2,135.49. The only unusual entry was the necessity to purchase a new checkbook for the Association, the first one since 1964 when the association was founded.
 - b. CFC report was given and everything is tracking well. Mr. Matherne stated that we continue to grow in area covered and will face a strong challenge to meet this year's goal.
5. The meeting adjourned at 1245.
